- 1 Tool box
- 3000 Ft. plank
- 4 Lanterns
- 1 100 ft. tape measure

Relayed 380 ft. sewer on No. Main St.

Relayed 75 ft. sewer on Union St.

Put in 200 ft. sewer on Walter Favor's

Put in 200 ft. sewer from F. Town's to Parker Sanborn's

Replanked toll bridge

Built bridge new near Smith's garage

Built bank wall in Adams district

LEWIS D. FOX, Road Agent.

Union School District

REPORT OF BOARD OF EDUCATION

To the citizens and parents residing in Union school district:

The annual report of the Board of Education is herewith submitted. All departments have been in session 36 weeks with the same corps of teachers as last year, who have labored earnestly and faithfully to instruct their pupils and encourage them to be studious and diligent in the use of their school privileges.

The majority of the scholars have responded heartily and dutifully to the call of the teachers and of the Board, but as is usual, some have been quite indifferent thereto. The health of the scholars as a whole has been excellent. No epidemic has prevailed among the children during the year. In the spring there was some apprehension that scarlet fever might become epidemic and both the school-rooms and books were thoroughly fumigated by the Board of Health at the request of the Board of Education, but happily very few were afflicted with the disease.

Instruction in all grades has been given in hygiene, physiology and physical culture, and in the upper grades in the Constitution of New Hampshire.

At the opening of the fall term the names of all scholars who had not been vaccinated were taken, and a copy of the law relative to that subject sent to the parents

and guardians of such pupils as were deficient in that respect.

The sanitation of the building has received frequent and thorough attention. We believe that in this regard the health of the scholars has not suffered in the least.

Armed with disinfectants, cleaning preparations, hot water and the new dustless brushes, the janitor, Mr. P. M. Plummer, has been able to keep all parts of the building clean and sanitary.

The finances are in an excellent condition.

The district has an ideal location for its school buildings. Kelley Park by reason of its close proximity affords a splendid play ground, so essential to the pleasure, health and activity, the physical and mental strength of the pupils. But the present school building was erected many years ago and the interior is rapidly wearing out. To properly repair this would entail great expense. Furthermore, very unfortunately, instead of constructing the main building so that the school-rooms can receive the sun and light from the south, the entries and halls were so placed as to exclude both from the rooms.

A new, modern, up-to-date school building is much needed. An examination of new structures in other towns furnishes evidence, that with the material at hand in the old building, a new one such as the district should have can be erected at moderate cost.

We venture the hope that the matter may be seriously considered by all who are interested in the welfare of the schools, and that in the near future the district will deem it wise to provide a new school house. During the year chemical fire extinguishers have been placed in the school-rooms and basement.

The spring exhibit of literary and handicraft work of

the pupils will be very interesting and the Memorial exercises preceeding Memorial day will occur as usual, which all are not only most cordially invited, but earnestly urged, to attend. It is with regret that the Board has learned that several of the younger boys are cigarette smokers. Smoking in the school buildings and grounds has been forbidden. It is hoped that the parents of such children will take up the matter of this pernicious habit and persuade the boys to abandon it.

The district is fortunate in having a very excellent High school, approved for a two years' course. The instruction given therein is of a high order of merit, while the fact, that the number now attending is small, is a great personal advantage to the individual pupil, yet a larger number could be properly cared for and instructed.

We urge parents not to fail to cause their children to avail themselves of this splendid opportunity for two very important years of study.

The loss of those who fail to take this or a similar course is irreparable.

Too many make a serious mistake in leaving school before finishing the course that they may engage in work.

The child labor problem is rightfully receiving earnest public attention in these latter days.

A well-known Rabbi has said, "Every child who labors is denied the right of childhood. The first right of man is to work; that of the child is not to work. The state must be radical in dealing with the life of the child. Some day a wise state will introduce a system of child pensions or child bounties, which would really be home pensions, and thus maintain the home, and leave a sole parent to keep the family together."

A distinguished educator pronounces this the age of little men and further says "The attempt of men with small mental equipment, who rush in where angels would fear to tread, and who attempt to solve these problems that would stagger the most giant minds, explains the utter chaos in which we find ourselves on all the great questions of the hour, questions of vast interstate and international interests discussed by steeple-jacks of politics, questions of property rights and business methods submitted to the clamor of raw and destructive socialists, malcontents from other countries, judicial questions, even the composition of courts impudently discussed by men who unblushingly insist that law shall be interpreted to the liking of the discontented element of our communities; questions of personal liberty trampled under foot by wild passion and riot in defiance of courts and laws, and all this encouraged and hissed on by muck-rakers and demagogues."

If these ideas are correct, as they seem to be for the most part at least, if the men of today are not equal to their civic duties and the great and crying need is for more womanly women, more manly men, then our hope lies in the men and women of the future and it is all important for us as citizens, parents, teachers and school board, to labor earnestly, faithfully and assiduously to lay the foundations of the rudiments at least of the education and training of the children in our elementary or secondary schools deep and broad, by inculcating habits of study, thought and reflection, directing them in ways of morality, civic virtue and righteousness, laying stress not merely upon text-book education alone but upon the teachings and principles of Christianity and upon the necessity of true individual goodness, honesty and uprightness, not forgetting that upon us as well, devolves the ever-present

duty of setting a good example in all of these particulars before the children and youth of our town. To these ends all should actively and conscientiously cooperate.

It is expected that the present winter term will close on March 22d; that the spring term will open on April 8 and close June 14.

The present members of the Board are Messrs. Frank N. Gilman, chairman; Albro Wells, secretary; Mrs. Ada B. Cavis, Mrs. Mabel M. Ladd, and Messrs. Wm. C. White and Ira A. Chase.

The roll of honor, or perfect attendance, for the year past, and the usual statistical table are hereto appended.

Respectfully submitted,

For the Board of Education,

IRA A. CHASE, Supt.

ROLL OF HONOR FOR 1911

HIGH SCHOOL

Winter term—Susan J. Hanson.

Spring term—Susan J. Hanson, Mildred G. Sibley, Arthur G. Johnson.

Fall term—Corinne Favor, Alice E. Favor.

GRADES 8 AND 9

Winter term—Geo. H. Carpenter, Harold M. Ladd, Ida M. Thompson, Margaret W. George, Eva M. Reid.

Spring term—Geo. H. Carpenter, Ernest C. Hopkins, Corinne Favor, Eva M. Reid, Ida M. Thompson, Mildred W. Wheet.

Fall term—Rensford C. Mitchell, S. Hortense Cavis, Ethel M. Southard, Mildred M. Wheel.

GRADES 6 AND 7

Winter term—Frank Higgins.

Spring term—Alice Pope, Georgia Gray, Doris Martin, Olive Woodman, Rensford Mitchell, Floyd Pineo.

Fall term—Pearle Hazeltine, Lucia Goodhue, Georgia Gray, Walter Beckford.

GRADES 4 AND 5

Winter term—Maude Reid, Gladys Woodman, Charles Copp, Karl Dearborn, Harry Robie.

Spring term—Lucia Goodhue, Pearle Haseltine, Maude Reid, Gladys Woodman, Walter Beckford, Charles Copp, Harry Robie, Bernard Tibbetts.

Fall term—Gladys Carleton, Emma Gray, Alice Keaton, Eunice Mosher, Cleora Price, Lena Seavey, Charles Copp, Frank Littlefield.

GRADES 2 AND 3

Winter term—Eunice Mosher, Elizabeth Mosher, Bertha Copp, Maxwell Roby, Frank Littlefield.

Spring term—Eunice Mosher, Mary Higgins, Reba Follansbee, Cleora Price, Charlotte Thompson, Anna Seavey, Lena Seavey, Laura Willette, Maynard Gregory, Merville Hadley, Frank Kenney, Frank Littlefield, Vern Mosher, Maxwell Robie.

Fall term—Eleanor Remick, Elizabeth Mosher, Edna Brown, Helen Gray, Bertha Copp, Emma Haseltine, Pearl Carleton, Minette Woodcock, Edward Woodcock, Vern Mosher, Neal Remick.

GRADE I

Winter term—Edgar E. Robie, Edward M. Woodcock, Minette A. Woodcock.

Spring term—Harry R. Day, Karl D. Kenney, Aldis W. Kirk, Neal P. Remick, Edgar E. Robie, Edward M. Woodcock, Emma R. Haseltine, Minette A. Woodcock, Marion F. Mitchell.

Fall term—Raymond J. Brown, Norman C. Pray.

Respectfully submitted,

RAYMOND CAVIS, Treasurer.

This is to certify that I have this day examined the accounts of the treasurer of Union School district No. 2, and find them correct according to my best knowledge and belief.

CHANNING BISHOP, Auditor.

Bristol, N. H., Feb. 23, 1912.

Report of School Board

OF TOWN DISTRICT

In making our annual report for the past year, we regret to say that many obstacles have been met.

The vaccination law and failing to comply with it, caused much trouble, and lowered our per cent. of attendance.

The higher our average daily attendance runs, more help we get from the state. Every session we permit our children to stay away, not only damages the child, but helps to beat the district from state aid. The thirty-week law has been put in force. Seven-tenths of high school tuitions paid by state. District No. 9 was closed the fall term and scholars conveyed to No. 8, this being done at a large saving.

District No. 3 was closed and scholars went to No. 5, both schools were small, and together made a good showing.

The financial conditions of the district are satisfactory.

If parents would take more interest in the schools and assist us in enforcing the principles of discipline, a big change for the better might be made.

Respectfully submitted,

C. E. KIMBALL,	} School Board.
L. H. VARNEY,	
C. E. JEWELL,

FRANCIS W. CALLEY, Auditor.

Bristol, N. H., Feb. 19, 1912.

Minot-Sleeper Library

But little can be said in regard to the Minot-Sleeper Library that has not been said in previous years. It continues to be appreciated and well patronized as in the past and to be an indispensable adjunct to the educational advantages of the town. It could not be dispensed with without causing the community to lag far behind the rest of the state in intellectual advancement.

This is especially true of its reading-room advantages. Every hour the reading-room is opened it is well patronized by the young people eager to enjoy the intellectual feast spread before them in the leading magazines of the day. The call and needs of the hour are for the reading-room to be open every evening of the week that the young people may have an opportunity to spend the evenings in profitable study and reading, but at the seeming need of economy the trustees have hesitated to do this. They have, however, voted to open the reading-room Sunday afternoons for a few months, trusting that the public may approve their action and favor further opportunities in this direction. The cost can be but small compared with the advantages afforded the young.

During the past year one hundred new books have been placed upon the shelves, making the present circulating department 7744.

The present officers of the library are: Chairman, R. W. Musgrove; secretary, Dr. Channing Bishop; treasurer, Dr. Geo. H. Calley; executive committee, Hon. Ira

A. Chase, Dr. G. H. Calley, F. H. Ackerman ; committee to purchase books, W. C. White, W. H. Marston, K. G. Cavis ; librarian, Mrs. Mary A. Dodge.

Following is given the names of the trustees and the dates of the expiration of their appointments : Dec. 31, 1912, Geo. H. Calley, R. W. Musgrove, W. H. Marston ; Dec. 31, 1913, Channing Bishop, Karl G. Cavis, F. N. Gilman ; Dec. 31, 1914, Ira A. Chase, W. C. White, Fred H. Ackerman.

Board of Health

In making our annual report we appreciate and thank the larger proportion of the community for the support we have received in carrying out the recommendations of the State Board, as well as the law.

The work coming under our care is increasing with new laws passed by each session of the legislature. Add to this the necessity of disinfecting Union schoolhouse, and it must be evident that during the past year the expenses of the Board of Health could not be decreased.

We would respectfully suggest to those in charge of the books in Union district, that all those which are obsolete should be disposed of, that never again will they need disinfection.

In regard to the sanitary conditions at the school, we are given to understand that money was voted to improve the same, but nothing has been done, and we are informed that it is impossible to put flush closets in the present structure. This we doubt very much. We also doubt that the present conditions would be allowed to exist if the people in general knew what they were.

The Superintendent of Union district furnished the Board with a list of the scholars enrolled, indicating those who had not been vaccinated. Your Board gave notice of its intention to comply with the law, in the local paper, and by request of the Principal, suggested that the vaccinations be done during the vacation ; but owing to the lax methods of enforcing the law heretofore, the larger

number of pupils omitted to comply with the requirement until the school year began. There were reported unvaccinated in this district, 64, 29 of whom were soon vaccinated. Permits to attend without vaccination were issued to 10. The balance, 25 in number, have not complied with the law. A written notice was sent to the Principal forbidding these children to be allowed attendance at school. While we have not seen these children in the schools, the Superintendent admitted before a representative of the State Superintendent of Instruction that they were attending. As a Board we have in no case been arbitrary in enforcing the law, even granting permits that could not be obtained from like Boards in any city of our state. So long as it is possible to obtain a certificate of unfitness for vaccination which does not show any legitimate reason therefor, your Board must use its own judgment in the matter. While the law makes our decision final, we have been as careful not to refuse a permit, whenever the conditions given, or known, could reasonably indicate it, as justice to all would allow.

C. A. SMITH, } Board of
J. W. COOLIDGE, } Health.
